If you are creating a new account click on the **+ Create Project** button in the top right corner.

The screenshot shows a web interface for creating a project. At the top, there is a green navigation bar with the text "Experience / CreateProject". Below this is a white form area with a "Project details" header and a green "Create" button in the top right corner. The form contains two input fields: a text field labeled "Public name \*" and a dropdown menu labeled "Language" with "English" selected.
