Amazing Speaker

Prof. Anthony Beyar
Greece

I'm Anthony Beyar, a proud Athenian and an accomplished chef. I've been in the culinary industry for over 14 years and my passion for cooking has taken me to many parts of the world. I am especially known for my exceptional skills in making the traditional Greek dish, Moussaka, and I was awarded the title of the best Moussaka maker in Greece. I have also been a regular guest on the CBS Morning show, where I share my expertise on Greek cuisine and cooking tips with a wider audience. I believe the...

Dr. George Dargatzis
Oxford, UK

I am George Dargatzis, a time traveler who has been fortunate enough to witness some of the most pivotal moments in history. My travels have taken me back to the late 18th century where I was an eyewitness to the French Revolution, a defining moment in world history. As a result of my experiences, I have gained a unique perspective on the events of the past and their impact on the present. My insights have been featured on the cover of Time Magazine and I have been invited to speak at conferences a...

Mrs. Jean Binswanger
Ireland

Dr. Leo Arista
Hong Kong

Mr. Michael Semreny
InBiochemistry Scientific Center, Inns University
Germany

I'm Michael Semreny and I'm based in Berlin, working as a researcher at the InBiochemistry Scientific Center at ITMO University. I've been in the field of chemistry for over a decade and my research focuses on developing new techniques to study the behavior of molecules in complex biological systems. I believe that our understanding of biology and biochemistry can be greatly advanced through innovative and interdisciplinary approaches, and I'm passionate about combining chemistry with other...

An example

The screenshot displays an event page for "Ideas Grow Your Business" on May 1st, 2023. At the top, a dark blue header contains the event title and a "Starts in" countdown timer showing 77 days, 16 hours, 58 minutes, and 54 seconds. Below the header, a "Coming Up" section features a card for "Academy of Innovation Day" with the title "A density functional theory journey" by Sara Crain from TUS Hospital, Italy, including a small profile picture. To the right of the main content is a vertical sidebar of navigation buttons: Agenda, Participants, Venue map, Vod, Speakers, Exhibitors, Sponsors, Networking, Messages, and Posters. At the bottom, a large blue banner with a white arrow graphic contains the event title "Ideas Grow Your Business" and the text "Online event on May 1st, 2023". The CUBECODE logo is positioned in the bottom right corner of the banner.
