

Eventact

Multiple Languages

With Eventact, you can create multiple languages events.

Step 1 -

Choose **project** on the left toolbar.

The screenshot displays the Eventact dashboard interface. On the left, a dark sidebar contains a navigation menu with the following items: Overview, Project (highlighted with a red box), Design, Participants, Marketing, Media, Settings, and a search icon. The main content area features a breadcrumb trail: < Experience / Ideas / General ▾ / Overview. Below this, the event title 'Ideas Grow Your Business' is shown, followed by the date and location 'May 1-3, 2023, Online'. The dashboard is organized into four colored tiles: a blue tile for 'Registrants' (4), a red tile for 'Abstracts' (6), a dark grey tile for 'Speakers' (9), and a light grey tile for 'Exhibitors' (5 Sponsors and Organizations). Each tile includes an icon representing the category.

Category	Count
Registrants	4
Abstracts	6
Speakers	9
Exhibitors (Sponsors and Organizations)	5

Step 2 -

Select Languages -

The screenshot shows the 'Project Details' page in the Eventact interface. The page is divided into a left sidebar and a main content area. The sidebar contains navigation options: Overview, Project (selected), Design, Participants, Marketing, Media, and Settings. The main content area displays project details in a table-like format. The 'Languages' section is highlighted with a red box.
